The Council of Autism Service Providers (CASP) Business Affiliate Program is an opportunity for firms, vendors, and other entities that provide business services to autism service provider organizations to become a part of the dynamic CASP community. As a CASP Business Affiliate, your company will have the opportunity to engage with CASP Member organizations and be recognized as providing services to some of the best autism service provider organizations in the country.

Benefits of becoming a CASP Business Affiliate include:
- The option to present a stand-alone 20-minute demo as part of the “Meet the CASP Business Affiliates Webinar Series”
- Participation in CASP Special Interest Groups (at the discretion of the SIG leader)
- Consideration of proposals for webinars and breakout sessions at the annual CASP Conference
- A personalized profile page on the CASP website that will showcase your business logo and company offerings/services, contact information, links to company website and social media
- Use of the CASP Business Affiliate logo on your company website and promotional material
- Discounted exhibit opportunities and priority booth location at the CASP Annual Conference
- A spotlight feature in the CASP newsletter that is distributed to over 6,000 subscribers

CASP Business Affiliate companies must be:
- recommended by at least one current CASP Member organization
- assessed via a survey of CASP membership
- approved by CASP leadership

About CASP
CASP is an independent, non-profit association dedicated to advancing evidence-based care and best practices in services to individuals with autism spectrum disorders.
